**Fmaj7**

**E7**

I should've done the day I knew..

I!! Have used you as a source of, inspiration

I!! Have seen the good things inside you, (burning through)

But I!! Won't never ever find you.

No I will never find you cause the real you is gone..

But you have never noticed

My work and what I've done

But now it's time for breaking

Through to you and all your thoughts..

But you won't ever notice

My work and what I'll do

If I don't start to do what

I should've done the day I knew..

[Same as intro]

HOW!! Do I know if this is worth it

HOW!! Can I get myself through it (when I feel this way)

HOW!! Do I know if I can do it

And how can I be sure if this is really me/what I wanna do.

But you have never noticed

My work and what I've done

But now it's time for breaking

Through to you and all your thoughts..

But you won't ever notice

My work and what I'll do

If I don't start to do what

I should've done the day I knew..

But you have never noticed

My work and what I've done

But now it's time for breaking

Through to you and all your thoughts..

But you won't ever notice

My work and what I'll do

If I don't start to do what

I should ve done the day I knew..
