##-Capo 1st fret-##

(CHORUS)

**G** **D**  
I started with nothing  
**Em** **D**  
Now I have something  
**C** **G** **C D**  
I proved them all they were wrong  
**G** **D**  
So glad I kept fighting  
**Em** **D**  
And I never stopped trying  
**C** **G** **C**  
Been waiting to sing for so long  
**D** **G**  
My winners song!

(VERSE)

**G** **D**  
I couldn't carry on  
**Em** **D**  
I thought my chance had gone  
**C** **G** **C D**  
I was ready to stop and give in  
**G** **D**  
I thought I'd give it one last try  
**Em** **D**  
Look this moment in the eye  
**C** **G** **Am D**  
Then maybe who knows I could win  
**C** **Am**  
I dreamed about this for a lifetime  
**G** **Em**  
But I could not imagine  
**C** **D**  
What it feels like standing here right now

(CHORUS)

**G** **D**  
I started with nothing  
**Em** **D**  
Now I have something  
**C** **G** **C D**  
I proved them all they were wrong

So glad I kept fighting  
**Em** **D**  
And I never stopped trying

Been waiting to sing for so long

My winners song!
