

**Gloria - Hello**  
**Misc Unsigned Bands**

Capo 5 (key of G-relative to capo)

A friend liked this song so I tried to find tabs for it, but couldn't find it.  
Super easy song any ways! So I decided to put it up myself for anyone  
-kellyboy :)

Pick the bass note and then the 3 highest strings; followed by a slap on guitar  
haha =)

USE THIS **Em**/ except the bridge and prechorus

```
E | |--3----  
B | |--3----  
G | |--0----  
D | |--0----  
A | |--2----  
E | |-----
```

Use this **Em** for the prechorus

```
E | |--0----  
B | |--0----  
G | |--0----  
D | |--2----  
A | |--2----  
E | |--0----
```

Use this **D/F#**

```
E | |--3----  
B | |--3----  
G | |--0----  
D | |--0----  
A | |--0----  
E | |--2----
```

versel:

```
G                D/F#  
Hello there, I m the one who s waving at ya  
      Em                C  
and I have something I d like to say  
G                D/F#  
Hello there, if you could lean a little closer  
      Em                C  
you could hear the secret I gotta share  
G                D/F#  
Get butterflies when you smile at me
```

**Em**

as you walk on by me

**C**

as I m sitting here

**G**

**D/F#**

Hello there, can someone tell me what to do

**Em**

**C**

because I m lost with words when I m with you

prechorus:

**Am**

**Em**

Maybe I like you just a little

**G**

**C**

Maybe I like you, a lot

**Am**

**Em**

Baby I m standing in the middle

**G**

**D/F#**

Do you notice, do you notice me

chorus:

**C**

**C**

Boy, don t you dare stop your smiling

**Em**

**Em->C**

I promise you the rain will stop any day

**C**

**C**

Boy, if you re ever getting lost

**Em**

**Em->C**

you know my hand is not, too far away

from yours

from yours

do do do.....

Same chords =)

verse2:

Hello there, if you would please give me a piece of your heart I promise to give you mine

Hello there, I d guard it with my life

with safety pins and glue

and with masking tape and screws

and there s nothing you could do

because...

prechorus:

Maybe I like you just a little

Maybe I like you, a lot

Baby I m standing in the middle

Do you notice, do you notice me

chorus2:

Boy, don't you dare stop your smiling  
I promise you the rain will stop any day  
Boy, if you're ever getting lost  
you know my hand is not, too far away from  
yours, you know the night has never been so clear  
the milky way is swirling above us  
now, we'll be dancing in the moonlight  
counting stars at great heights  
one by one  
one by one  
one by one

tonight.....

do do dooo....million

Hello there, my knees are skinned my shoes are lost  
can't chase pavements if our roads never cross
