[Verse]

```
D           A           G           A
What do they know when they say I m too young
D           A           G           A
As I get older and until my life is done
D           A           G           A
I ll be the one who had love that was true
D           A           G           A#
They all had nothing, and I have you
```

[Chorus]

```
D           A           G
We ll be together forever in love
D           A           G
Together forever in love
D           A           G
Together forever in love
```

D A G A
D A G A#

[Verse]

```
D           A           G           A
I ll be your reason for starting your day
D           A           G           A
You ll be my true love in every way
D           A           G           A
I ll always need you, I promise that now
D           A           G           A#
Through good and bad as long as this life will allow
```

[Chorus]

```
