```

      D                      G
Here I am walking next to no one
                        D
Somehow I feel you are following me
                        G
I am here sitting next to nothing
                        D
Somehow I feel you are next to me
      G                      D
Ohh ou ohh don t you ever leave me
      G                      D
oh uuu oh stay forever nearly

```

```

      D                      G
I have lost everything completely
                        D
Still I wake up in the morning thinking of you
      G                      D
Still I wake up in the morning thinking of you

```

```

      D                      G                      D
I have lost everything I ever had in mind... still you around
                        D
Still you around... Still you around
                        D
Still you around... Still you around
                        D
Still you around... Still you around
      D

```

Still you around... Still you around

**D** I am singing this song to shine a light of hope into my life... a memory of us **G** **D**

**D** **G** **D**  
Cause there would always be a special place for me inside your heart... inside  
your heart

**G**  
Cause there would always be a special place for me inside your heart  
**D**  
...Inside your heart
