```
          C                               F
Here I am walking next to no one
                                C
Somehow I feel you are following me
                                F
I am here sitting next to nothing
                                C
Somehow I feel you are next to me
          F                               C
Ohh ou ohh don t you ever leave me
          F                               C
oh uuu oh stay forever nearly
```

```
          C                               F
I have lost everything completely
                                C
Still I wake up in the morning thinking of you
          F                               C
Still I wake up in the morning thinking of you
```

```
          C                               F                               C
I have lost everything I ever had in mind... still you around
                                C
Still you around... Still you around
                                C
Still you around... Still you around
                                C
Still you around... Still you around
                                C
```

Still you around... Still you around

C I am singing this song to shine a light of hope into my life... a memory of us **F** **C**
F

C **F** **C**
Cause there would always be a special place for me inside your heart... inside
your heart

F
Cause there would always be a special place for me inside your heart
C
...Inside your heart
