Lyrics

Verse 1:

Tease me with your talk again every single day

Tank top and your summer tan blowing me away

You re taking your time. I m waiting in line and now I m ready to go.

From the start you ve been taking it slow.

I ve waited as long as I can,

But you know that I m only a man.

Chorus:

Baby, why you messin around?

You ve been lifting me up just to throw me back down.

Baby, why you messin around?

You re wasting all this time that we could spend messin around.

Verse 2:

Hold up outside your house for a second date.

6 o clock on the dot and not second late.

Nothing when I knocked. I guess you forgot and left me hanging there.

This is the last time I swear.

It d be worth all the time that I waste,

If you d give me one little taste.

Chorus:

Baby, why you messin around?

You ve been lifting me up just to throw me back down.

Baby, why you messin around?

You re wasting all this time that we could spend messin around.

Bridge:

Woah, oh, what am I gonna do?

Woah, oh, I gotta get through to you.

Woah, oh, what am I gonna do?

Woah, oh, I gotta get through to you.

You re taking it slow and I just don t know, what am I gonna do?

I m losing my brain. I m going insane. I gotta get through to you.

You re taking it slow and I just don t know, what am I gonna do?

I m losing my brain. I m going insane. I gotta get through to you.

I ve waited as long as I can,

But you know that I m only a man.

Chorus: x2

Baby, why you messin around?

You ve been lifting me up just to throw me back down.

Baby, why you messin around?

You re wasting all this time that we could spend messin around.

Baby, why you messin around?

You ve been lifting me up just to throw me back down.

Baby, why you messin around?

You re wasting all this time that we could spend messin around.
