[Verse 1]

**F**  
The roses aren t as pretty  
**Bb**  
The sun isn t quite as high  
**F** **C C7**  
The birds don t sing as sweet of a lullaby  
**F**  
The stars seem a little bit faded  
**Bb**  
The clouds just a little more gray  
**F** **C**  
And it feels like things won t ever be the same

[Chorus]

**F Bb**  
Heaven got another angel tonight  
**F C**  
You left this world behind  
**F Bb**  
Heaven got a little better the day  
**F C**  
It took you away from me

**F Bb C**  
I m missing you tonight  
**F Bb C**  
I ll see you again sometime  
**F Bb C**  
For now I ll close my eyes  
**F Bb C C7**  
And dream of heaven tonight

[Verse 2]

**F**  
The beaches aren t as lovely  
**Bb**  
The sky isn t quite as blue  
**F C C7**  
Still, they re sweetened by the memory of you  
**F**  
The rain is a little bit colder  
**Bb**  
The fire is never quite as warm

Still, it seems that heaven isn't all that far

[Chorus]

Heaven got another angel tonight  
You left this world behind  
Heaven got a little better the day  
That it took you away from me

I'm missing you tonight  
I'll see you again sometime  
For now I'll close my eyes  
And dream of heaven tonight

[Verse 3]

I'm spending a little more time now  
With the things that mean a little bit more  
I'm noticing the wonders of this world  
I love with a little more hope now  
I live with a little more peace  
Cause I understand how precious life can be

[Chorus]

Heaven got another angel tonight  
You left this world behind  
Heaven got a little better the day  
That it took you away from me

I'm missing you tonight  
I'll see you again sometime  
For now I'll close my eyes  
And dream of heaven tonight

And dream of heaven tonight
