Graham Pratt Alan Corner - Its Midnight Misc Unsigned Bands

It s Midnight c. Alan Corner & Graham Pratt 1987. The day is gone and darkness falls the res evil in the air, A coven has assembled, there s witches everywhere, its frightening. On a shadowed moor by moonlight, they gather all around, You d better run you d better hide cos it s midnight, it s midnight Oh, heaven above, answer my prayer, I need some guidance some help from some where, help me through, this deed I must do, tonight. The high priest gives the signal, a naked girl is brought, she s laid down on the dampened ground, there s lightning. A dagger is raised into the air to strike her cold and clean, then I awaken in deep distress it was just a dream, it was just a dream Oh heaven above answer my prayer, take my torment and saddened dispair, help me through, I m pleading to you tonight, oh tonight, tonight, oh tonight tonight.
