GRACE - Gran Via

Tabbed by: Chachi Joaquin
May 2011

C **Am** **Dm** **G**
Go my love, I wish you'd return, but if you don't I won't complain
C **Am**
Because I know my love, my world will still turn
Dm **G**
Just as quickly when you go away
Em **F**
Though it's a sin, punishable by death
Em **G**
For you to be with anyone else
Em **F**
To turn your back on the grace of fate
Em **G** **G7**
That had me holding you so well.

Am (arpeggio)
I hope you go.

C **Am** **Dm** **G**
Go my love, I can see your resolve, there's nothing I can do or say
C **Am**
Because I know, my love, you're restless like me
Dm **G**
And sometimes you just need a change
Em **F**
Though it's a sin, punishable by death
Em **G**
For you to be with anyone else
Em **F**
To turn your back on the grace of fate
Em **G** **G7**
That had me holding you so well.

Am (arpeggio)
I'm still your friend.
