

Greg Pherigo - One More Try  
Misc Unsigned Bands

Intro: G Bm G Bm G  
G

He struck without a warning,  
Without a reason why.

She wondered what had happened,  
And believed another lie.

After all the times heâ€™d left her  
Troubled by a tricky thought.

Victim of a vicious cycle,  
Thinking he is all Iâ€™ve got. And she hunkered it down low.

One more try, yeah one more try,  
For the last time. One more try.

Thereâ€™s a letter on the table,  
Thereâ€™s a pistol in the drawer.  
She is crying in the bedroom,  
Like a thousand times before.  
A teddy bear helps her feel better  
A teddy bear could not explain  
Why she swallows all her sorrow  
Just to cough it up again. And she hunkered it down low

One more try, yeah one more try,  
For the last time. One more try.

(Intro Prog)

He aint worth it  
No he aint worth it  
He aint worth it but who cares

Give him one more try, yeah one more try,  
For the last time. One more try.  
Give him one more try, yeah one more try,  
For the last time. One more try.
