Well they say its where the heart is
and I guess the hardest part is
when your heart is broken
and you re lost out in the great wide open
looking for a map
finding your way back
to where you belong
well that s where I belong

[Chorus]

Home
The world tried to break me
I found a road to take me
Home
There ain t nothing but a blue sky now
After all of my running
I m finally coming
Home
