[Verse 1] It s a four letter word a place you go to heal your hurt It s an alter, it s a shelter One place you re always welcome a pink flamingo, double wide One bedroom in a high rise Dma mansion on a hill Where the memories always will keep you company whenever you re alone after all of my running I m finally coming [Chorus] Am - F Home The world tried to break me I found a road to take me Am - F Home There ain t nothing but a blue sky now After all of my running I m finally coming

### [Verse 2]

Well they say its where the heart is and I guess the hardest part is when your heart is broken and you re lost out in the great wide open looking for a map finding your way back to where you belong well that s where I belong
