Every Cell- Halcyon

C G Am F  
These days it doesnt take much to make me cry.

C G Am F  
And I dont even have to wonder why,

C G Am F  
A song a, scent ,a summer with your same hair,

C G Am F  
all these things can take me back to when

C G Am F  
I missed you with every cell in my body.

C G Am F  
I shake and I ache when I think about holding you

C G Am F  
And I, I see that I m ok alone and I want to believe it

C G Am F  
But I want things back the way they used to be.

We had a love that could not be contained

C G Am F  
How sad it is it could not be sustained

C G Am F  
Sure makes me scratch my head and wonder how

C G Am F  
I got to feeling like I m feeling now

C G Am F  
And, I miss you with every cell in my body

C G Am F  
I shake and I ache when I think about holding you

C G Am F  
And I, I see that I m ok alone and I want to believe it

C G Am F  
But I want things back the way they used to be.

**F** **G**  
 Cause it knocks you right down to the ground  
**F** **G**  
 Just for you to hear my sound

And I m saying

 I miss you with every cell in my body

 Come pull me out of this darkness

 And I m so sick and tired of feeling like this
