Intro:

Am F Am F Am F G x2

Verse 1:

          Am                  F  
Oh the kitchen was unexpected  
          Am                  F  
and my life had no directive  
          Am                  F  
and I lost my true objective  
          G  
at the start

          Am                  F  
But I cut you into slices  
          Am                  F  
and I put down my devices  
          Am                  F  
and I gave you all the spices  
          G  
of my heart...

Chorus:

          Am  
...ohhh cheese!  
          F                  Am  
cheese pleasin me  
          F                  Am  
everything I see  
          G  
looks so melty

          Am  
oh cheese  
          F                  Am  
cheese, us, you re the one  
          F                  Am  
we have so much fun  
                          G  
espesh when you re on a bun
