The strumming pattern is a little difficult, but if you play it over and over
again
you ll get it I promise. It s DOWN seven strums with the seventh strum palm
muted, and UP on
the eighth strum. With D=Down and U=Up, the pattern is: D D D D D D (D palm
muted) U

Listen to my cover if you d like to hear this tab. It s not a tutorial, but it
may be of
assistance in learning the strum: http://www.youtube.com/watch?v=2dYhSvQ11eo

Any feedback on the tab is of course appreciated. Enjoy! :)
