

Hotel Cinema - Fire Escape

Misc Unsigned Bands

I did this chord chart on piano but its meant to be picked on a guitar so a lot of this song has to be from listening to it to get a feel for how to play it on whichever instrument.

During the verses where they have the first chord sustained, they alternate within the lead guitar between sus4 and sus2- listen to the song for the main instrumental melody.

[Verse 1]

F

Oh god this hurts. I m holding myself together, I m doing your work.

(**F**)

You say the damage has been done, and there s not use carrying on like we re
F/Bb (add6)
still in love.

C

You didn t even think to tell me things would be fine.

F

F/Ab F/Bb

Left nothing to assure your heart still beats with mine.

[Chorus]

F/Ab F/G C F/Ab
You never meant to cause me pain, you never meant to be that way.

(**Eb/Bb F/G C**)

I don t know if I can last another day in your arms.

F/Ab F/G C F/Ab
Open the curtains to the sun, crawl down the fire escape and run,
(**Eb/Ab C/G F/C**)
I gotta get away from the hold you got on me.

[Verse 2]

F

I ve given you all the tools to make me stay.

(**F F/Ab F/Bb**)

I m singing out ultimatums everyday.

I don t think I d ever have the strength to up and leave.

F/Ab F/G C

I wanna love you all the time, won t you just let me?

[Chorus]

F/Ab F/G C F/Ab
You never meant to cause me pain, you never meant to be that way.

(**Eb/Bb F/G C**)

I don t know if I can last another day in your arms.
