

Humane - Wish God Was A Woman

Misc Unsigned Bands

This should be it. For guitar, probably easier to play with Capo on first fret, use E, D, A, F#m and Bm.

**F**                    **Eb**                    **Bb**  
your scent still sleeps in my bed  
**F**                    **EB**                    **Bb**  
the click and clacking from your high heels in my head  
**F**                    **Eb**                    **Bb**  
and now my tears are dancing with the rain  
**F**                    **Eb**                    **Bb**  
painting a picture of you on the pavement

**Gm**                    **Eb**                    **Bb**                    **F**  
every time i look at you i wish god was a woman too  
**Gm**                    **Eb**                    **Bb**                    **F**  
a woman just like you  
**Gm**                    **Eb**                    **Bb**                    **F**  
every time i think of you i wish god was a woman too  
**Gm**                    **Eb**                    **Bb**                    **F**                    **Eb Bb**  
a woman just like you

**F**                    **Eb**                    **Bb**  
it s been so long since i kissed your mouth  
**F**                    **Eb**                    **Bb**  
and it still feels like you cut my heart right out  
**F**                    **Eb**                    **Bb**  
and now i m so tired you re so far from me  
**F**                    **Eb**                    **Bb**  
when i close my eyes you still make me happy

**Gm**                    **Eb**                    **Bb**                    **F**  
every time i look at you i wish god was a woman too  
**Gm**                    **Eb**                    **Bb**                    **F**  
a woman just like you  
**Gm**                    **Eb**                    **Bb**                    **F**  
every time i think of you i wish god was a woman too  
**Gm**                    **Eb**                    **Bb**                    **F**                    **Eb Bb**  
a woman just like you

**F**                    **Cm**

and as i m laying all alone

**Bb Cm**

my other side won t let me sleep

**F Cm**

only my dreams can bring you home

**Bb Cm F Eb Bb**

where my naked soul is yours to keep

**Gm Eb Bb F**

every time i look at you i wish god was a woman too

**Gm Eb Bb F**

a woman just like you

**Gm Eb Bb F**

every time i think of you i wish god was a woman too

**Gm Eb Bb F Eb Bb**

a woman just like you
