

And get down, hurry down,

C#

There s people waiting for you oh

B

And why why why won t anybody fly

F#m C#

This plane home?

F#m

C#

F#m

You ran away to the sun in California.

F#m C#

I ll stay the same

C# F#m

Under gray skies I ll come undone,

D E

And I know on holiday,

D E F#m E

The green green grass of holiday.

CHORUS x3:

F#m

So look down, look down,

C#

Everybody loves you oh

B

And my my my can anybody fly

F#m C#

This plane home?

F#m

And get down, hurry down,

C#

There s people waiting for you oh

B

And why why why won t anybody fly

F#m C#

This plane home?
