

**I Cant Stop Loving You**  
**Misc Unsigned Bands**

Verse:

**F**    **C**        **G**        **Am**  
There s a girl, I fell In love with,  
          **F**        **C**                **G**        **Am**  
the way she smiles just turn me on,  
**F**    **C**                        **G**        **Am**        **F**  **C**  
I m sure she s the girl I m looking for,  
          **G**        **Am**  
I see her in my life.

Pre-chorus:

**Am**        **F**  
It s you It can t be wrong,  
**C**        **G**  
It s you My only one,  
**Am**        **F**                **G**  
It s you who made my heart beat faster.

Chorus:

**C**                        **G**        **Am7**                        **F**        **G**  
No matter what, no matter where, my love for you won t fade away,  
          **C**                        **G**                                **Am**  
I say Baby, It s you I wanna love, wanna be with forever,  
          **F**                **G**  
Cause I can t stop loving you.

Verse 2:

**F**        **C**                **G**        **Am**  
Every time i tryna say how much i love you,  
          **F**        **C**                **G**        **Am**    **F**  
but I somehow just let you down,  
          **C**                **G**                **Am**        **F**        **C**  
I get tongue tied when I m with you,  
          **G**                **Am**  
and so I wrote you this song.

Pre-chorus:

**Am**        **F**  
Its you my everything,  
**C**        **G**  
It s you I wanna spend my life with,  
**Am**        **F**                **G**  
It s you I can t stop thinking about.

Chorus 2:

**C** **G** **Am7** **F** **G**  
No matter what, no matter where, my love for you won t fade away,  
**C** **G** **Am**  
I say Baby, don t ever leave me girl, cause I need you in my world,  
**F** **G**  
Cause I can t stop loving you.

Bridge:

**Dm** **C** **G** **Am** **Dm**  
You took my heart away, made me miss(love) you even more,  
**C** **G** **F** **Dm**  
when you cry I ll hold you tight;down, I ll pick you up,  
**C** **G** **Am**  
I ll be your pillow by your side,  
**F** **G**  
gonna put you in bed every night.

Chorus:

**C** **G** **Am7** **F** **G**  
No matter what, no matter where, my love for you won t fade away,  
**C** **G** **Am**  
I say Baby, It s you I wanna love, wanna be with forever,  
**F** **G**  
Cause I can t stop loving you.

Outro:

**Am** **F**  
No matter what no matter where I ll be there,  
**C** **G**  
and when you cry I mma lend you a shoulder,  
**Am** **F** **C** **G**  
let time prove we belong together,  
**Am** **F** **G**  
let s build up our love story
