Tuning: EADGBE

Chords  
=====

D xx0232  
A x02220  
Em x24432  
G 320003

D A Em Em  
Now that you stand in the door  
D A Em  
With your bags in your hand, you cant wait to be  
G  
leaving.

D A Em Em  
How long till I see you once more?  
D A Em G  
Till your plane touches down on some far away evening?

Chorus:

A D G A  
Im gonna miss you so much  
D G  
Whenever I reach out to touch you  
D Em A A  
To find only memories.  
Em A D D  
It just wont seem like summer without you.

D A Em Em  
Ive watched the days come and go  
D A Em G  
And I thought they were passing as slow as the seasons,  
D A Em Em  
But now that the moment is here  
D A Em G  
Its breaking my heart, Ive lost sight of the reasons.

Chorus

D                    A                    Em                    Em  
Now that its time to let go

D                    A                    Em                    G  
Seize the day, dont look over your shoulder.

D                    A                    Em                    Em  
I know that theres tears in my eyes

D                    A                    Em                    G  
But Ill see you again when the years a little older.

Chorus
