INTRO :

Bm	A	Em	B
La, la, la, la, la, la, la, la, la, la, la, la..			

#1.

Bm A Em D Bm A

When shadows of evening gently fall..the memory

Em B

of you I soon recall.

C#m D#m C#m

We walked in the rain..you kissed me, whispered

F#

my name.

F# D#m E D#m C#m

Where are you now, my love..where are you now, my love?

```

#2.
           Bm           A           Em           D
Life was fine, full of the wonder of the spring..

Bm  A           Em           B
you taught me that love meant everything.

C#m           D#m           C#m           F#
I gave you my heart..not dreaming we d ever part.

F#           D#m           E           D#m           C#m
Where are you now, my love..where are you now, my love?

```

BRIDGE:

F#m **Bm**
While I m sitting here I m wondering what went wrong.

F#m **Bm** **Em**
You ll find your empty arms will tell you, you belong

F#m **G** **A7**
to me..you ll come to me.

```

#3.
      Bm      A              Em              D      Bm      A
And see how I ve been waiting every day..just hoping that
Em              B
you ll come back to stay.
C#m              D#m              C#m              F#
But I don t know when I ll ever see you again.
F#              D#m      E              D#m      C#m
Where are you now, my love..where are you now, my love?

```
