Remember that day when we first met (G/C/Em/D)

He sits and sings to me (G/D)
Guitar rested on his knee (G/D)
How lucky, how lucky can I be (G/D/C/Em)
In the garden, the suns our friend (G/D)
Never want this day to end (G/D)
I wanna be right here forever more (G/D/C/Em)
I wanna be with you forever more. (G/D/C/Em)

Oh that day when he asked me (G/C/Em/D)
