James A Cowan - When Its All Been Said And Done
Misc Unsigned Bands

INTRO: First verse chords...

```
        F         C         G   Am-Em
When itâ„¢s all been said and done
          F         C         Am-Em
There is just one thing that matters
       F      C        Em        Am
Did I do my best to live for truth
       F      G         C
Did I live my life for You
(Did I live my life for You) **END**

        F         C         G    Am-Em
When itâ¬â„¢s all been said and done
          F       C          Am-Em
All my treasures will mean nothing
       F      C        Em        Am
Only what I â„¢ve done for loveâ¬â„¢s reward
       F       G        C
Will stand the test of time

```
         F         C       G    Am-Em
Lord Your mercy is so great
          F         C        Am   Em
That You look beyond our weakness
          F        C        Em       Am
And find purest gold in miry clay
        F       G       C
Making sinners into saints

       F          C         G    Am-Em
I will always sing Your praise
         F         C   Am-Em
Here on earth and ever after
           F        C        Em         Am
For You â„¢ve shown me Heaven â„¢s my true home
       F       G          C-Caug-Am
When itâ¬s all been said and done
           F         G          C
You â„¢re my life when life is gone
```
