D A C G

[Chorus]

A D E F C G

[Bridge]

D E F D A G F A G

[Verse 1] **D A C G**

we found him by the roadside
nothing to him but his name
he struggled to his feet, withered from the heat
cussing at the street

i don t want your help
i just want to know where i am
then he slowly looked around
recognized the town then he laid back down

[Chorus] **A D E F C G**

if you think I m the devil
its only because i live in hell
if your looking for trouble
you found it because i live in hell

[Verse 2] **D A C G**

when she walked into the courthouse
even her blouse was still wet
he took one look at her face
certain of the case, a horrible disgrace

i don t want your mercy
or want you to know why I m here
then she told him of the pain
the horrible refrain of a life in chains

[Chorus] **A D E F C G**

if you think I m the devil
its only because i live in hell
if your looking for trouble
you found it because i live in hell

[Bridge] **D E F D A G F A G**

now I m standing right in front of you
and the only thing i can put through

is to show you that I m not what you think i am

[Chorus] **A D E F C G**

so if you think I m the devil
its only because i live in hell
and if your looking for trouble
you found it because i live in hell

[Ending] **F C G**

I live in hell[2x]
