[Chorus]

**Bb Eb F F# C# G#**

[Bridge]

**Eb F F# Eb Bb G# F# Bb G#**

[Verse 1] **Eb Bb C# G#**

we found him by the roadside  
nothing to him but his name  
he struggled to his feet, withered from the heat  
cussing at the street

i don t want your help  
i just want to know where i am  
then he slowly looked around  
recognized the town then he laid back down

[Chorus] **Bb Eb F F# C# G#**

if you think I m the devil  
its only because i live in hell  
if your looking for trouble  
you found it because i live in hell

[Verse 2] **Eb Bb C# G#**

when she walked into the courthouse  
even her blouse was still wet  
he took one look at her face  
certain of the case, a horrible disgrace

i don t want your mercy  
or want you to know why I m here  
then she told him of the pain  
the horrible refrain of a life in chains

[Chorus] **Bb Eb F F# C# G#**

if you think I m the devil  
its only because i live in hell  
if your looking for trouble  
you found it because i live in hell

[Bridge] **Eb F F# Eb Bb G# F# Bb G#**

now I m standing right in front of you  
and the only thing i can put through

is to show you that I m not what you think i am

[Chorus] **Bb Eb F F# C# G#**

so if you think I m the devil

its only because i live in hell

and if your looking for trouble

you found it because i live in hell

[Ending] **F# C# G#**

I live in hell[2x]
