Tabbed by: iNebula
Tuning: standard

Band/Artist: Jay Buchanan
Album: All Understood (2004)

CHORDS
C: x32010
D/F#: 200232
Em: 022000 (x79987)*
Em7: 022033

Intro/verse/chorus: **C D/F#   Em   Em7**

*if you use the bar chord for Em (sounds a lot better), listen for the pull
off/hammer
on and use that (x79987 and x79977) instead of Em and Em7. There s a video of
Jay playing
this live, which is where I tabbed this from.
