MONEY MONEY MONEY (Melody)

Everyone s living day to day, people stuck in a big rat race, they don t know
they could
grow " do something differently " existing not living or chasing their
dream.

Oh you don t know, where do the days... where do they go - u don t know...

It s the Money Money Money money money " makes the world go round, money money
money
money " fall down to the ground, money money money money money " work not
play, money money
money " turn around the next day...

Everyone s living office space, people crammed into a slow subway, they don t
know they
could grow " do something differently " existing not living or chasing their
dream.

Oh the Money Money Money money money " makes the world go round, money money
money money
" fall down to the ground, money money money money money " work not play,
money money
money " turn around the next day...

Oh you don t know, where do those days, where do they go? u don t know....

So follow me and be free " cause i m in the right place at the right time with
the right
people drinking the right wine....

Oooh I m feeling fine...

It s the Money Money Money money money " makes the world go round, money money
money
money " fall down to the ground, money money money money money " work not
play, money money
money " turn around the next day...

Money money money money makes the world go... Money money money money makes the

world

go... round....
