# Jeff Daniels - Switchblade Sam Misc Unsigned Bands

Switchblade Sam: Jeff Daniels (AKA Luke McDaniels) BIG HOWDY Records in 1959.

#1.

I was peepin through the window one

Saturday night..

saw Charlie Brown holdin Lucille tight.

Over in the corner was Stagger Lee..

and Long Tall Sally was making whoopee.

Mary-Lou and Switchblade Sam.. I knocked on

the door and said, here I am.

#2.

Yeah, I slipped through the backdoor and

gave it a slam..and out come Stagger Lee and

old slick Sam.

Out through the window jumped Charlie Brown..

he s a-pickin em up and a-puttin em down.

The funniest sight I ever saw.. I guess them cats

thought I was the law.

#3.

Yeah, the girls started screamin and a-carryin on.

Don t be frightened, you ain t alone.

I said to myself, I m gonna have a-fun..

a house full of women and I m the only one..

and now them cats is clean out of sight..
