I ve searched long for a pretty escape,
could not find me a beautiful place.
Every corner is foreign and new.
But those corners have led me to you.

Take my hand and well pick up the pace.
Strong with love I have finished my race.
I finally feel the freedom to run.
But in the end, I have already won.

Don t forget, that I won t go away.
No regret, darling I m here to stay,
Standing alive, my heart is yours to take.
And I will be here, I ll be here, until we wake.

If you want me to love you today.
Please don t ask, I ll love you anyway.
For the first time, I can t help but say,
I d spend forever with you anyday

Don t forget, that I won t go away.
No regret, darling I m here to stay,
Standing alive, my heart is yours to take.
And I will be here, I ll be here, until we wake.

Don t forget, that I won t go away.
No regret, darling I m here to stay,
Standing alive, my heart is yours to take.
And I will be here, I ll be here, until we wake.
And I will be here, I ll be here, until we wake.
