It s simply getting (from)  
C G Em Am  
Bad to worse.

Look at all those people crying  
They are looking at us in disgrace.  
They don t realise  
What their tears mean to our face.

And I twist and turn at night  
When I think about what gives them fright  
I can t take no more  
It s something i just can t ignore.

Slavery is misery  
But black just isn t white.  
Beaten children aren t set free

It s something that just ain t right.

They sweat and they bleed

And it kills thy creed.

They rape and they strip

And they use the whip.

And you just don t know

Yer, you don t realise.

What it s doing...

Look at all those people dying

They are trying to look into grace.

You don t realise

That their hearts gonna lose it s pace.

It s the saddest thing

I ve ever heard.

It s simply getting (from)

Bad to worse.

Look at all those people standing

Round someone s grave.

They don t realise

That something under isn t fate.

You twist and turn at night

When you think about why you ain t right (now)

You don t realise

that YOU DON T CARE.
