

Jesse Bonanno - Never Alone

Misc Unsigned Bands

Capo 4

**D**  
Never alone  
          **G**                  **D**  
When your hope has been broken  
          **G**                  **D**          **A**  
And the fear is unspoken but true  
          **D**  
You re never alone  
          **G**                  **D**  
Like a dream in a child  
          **G**          **D**          **A**  
Or a childish dream in you  
          **G**          **A**          **Bm**          **A**  
I ll do anything that I can do  
          **G**                  **A**          **Bm**          **A**  
To show you my love and comfort you  
          **G**                  **D**                  **A**  
When you can t seem to find your way home  
          **G**                  **D**  
And when life gets too hard  
          **Bm**                  **G**  
To face on your own  
          **A**          **G**                  **D**                  **A**          **Bm**  
I will stand as a light through your darkest unknown  
          **G**                  **A**  
I will walk with you  
          **G**  
So you re never alone

**D A D**

**D**  
You re never alone  
          **G**                  **D**  
Like a tear in the ocean  
          **G**                  **D**          **A**  
Or a star on a clear winter night  
          **D**  
You re never alone  
          **G**                  **D**  
When the courage you needed  
          **G**                  **D**          **A**  
Has been all but defeated in you  
          **G**          **A**          **Bm**          **A**  
I ll do anything that I can do

**G**                    **A**                    **Bm**                    **A**  
To show you my love and comfort you

**G**                                    **D**                                    **A**  
When you can't seem to find your way home

**G**                                    **D**  
And when life gets too hard

**Bm**                                    **G**  
To face on your own

**A**    **G**                                    **D**                                    **A**                    **Bm**  
I will stand as a light through your darkest unknown

**G**                                    **A**  
I will walk with you

**G D A**  
So you're never alone

**G D A**  
Never Alone

**G D A**  
Never Alone

**A**  
Never Alone

**G**                                    **D**                                    **A**  
When you can't seem to find your way home

**G**                                    **D**  
And when life gets too hard

**Bm**                                    **G**  
To face on your own

**A**    **G**                                    **D**                                    **A**                    **Bm**  
I will stand as a light through your darkest unknown

**G**  
I will walk with you

I will walk with you

**A**  
I will walk with you

**D**  
So you're never alone
