

Jesse Bonanno - Never Alone
Misc Unsigned Bands

Capo 4

Never alone
When your hope has been broken
And the fear is unspoken but true
You re never alone
Like a dream in a child
Or a childish dream in you
I ll do anything that I can do
To show you my love and comfort you
When you can t seem to find your way home
And when life gets too hard
To face on your own
I will stand as a light through your darkest unknown
I will walk with you
So you re never alone

E B E

You re never alone
Like a tear in the ocean
Or a star on a clear winter night
You re never alone
When the courage you needed
Has been all but defeated in you
I ll do anything that I can do
