I Would be an Orchardist

Capo III

C F G C

C Long ere the rooster crows from out of bed I rise
F
G wash and comb my tousled hair and don my old disguise,
C
creep into my lover s room and kiss her head goodbye,
Am
G hit the road to make my living, live myself a lie.
C

C While the sun is rising I toil and I slave,
F
G earn enough to pay my debts and all the rest I save.
C
Life is not luxurious on such a meager wage,
Am
G but I ve got a dream to calm my nerves and all my fears assuage.
C

F I d like to be in a field of green
C
D surrounded by a livelihood of trees.
D7 **G** **G7**

F I wanna go where apples grow
Am
F with prairie grass and clover down below.
G **C**

instrumental **C F G C**

C Long ere the rooster crows from out of bed I rise,
F
G fix myself a breakfast, tie my boots, and go outside,
C
check up on the ciderhouse and tend my growing trees,
Am
G clean out the old chicken coop and then do as I please.
C

F **C**

I d like to be in a field of green
D D7 G G7

surrounded by a livelihood of trees.

F Am

I wanna go where apples grow

F G C

with prairie grass and clover down below.

C F
We share a pot of coffee as we watch the rising sun,

G C
a full day s work ahead, but it s a full day s worth of fun.

Am
Life is so luxur ious when you re working towards a dream,

G C
and working comes so naturally when all your time is free.

F C
I d like to be in a field of green

D D7 G G7

surrounded by a livelihood of trees.

F Am

I wanna go where apples grow

F G C

with prairie grass and clover down below...
