(same chords throughout the rest of the song)

He told me where he comes from
That everyone has a gun they re always at war
I told him where I reside
My brother is dyin and there is no cure
I got a baby to feed
I barely eat
I m chasin a dream
He told me he could relate
It s so insane
And that s when I said

We come from two different worlds but
There s only one us
That could make things easier

And he said

But I think I m yours, girl

Let s get lost tonight
And start our on world
Start our own world
Lost in our world
Start our own world
We come from two different worlds but
There s only one love
That could make things easier
