G A

Т

Α

I don t wanna go back

Em

He said compared to where he s from

G

It can t be that bad

Α

And he said yeah, yeah

D A

I asked him if I could get away with $\mathop{\text{\rm him}}\nolimits$

Em. G.

Go grab my bags and just run away with you

And he said

D A

We come from two different worlds, girl

Em

We re just another girl

You can t never understand the type of man I am

(same chords throughout the rest of the song)

He told me where he comes from

That everyone has a gun they re always at war

I told him where I reside

My brother is dyin and there is no cure

I got a baby to feed

I barely eat

I m chasin a dream

He told me he could relate

It s so insane

And that s when I said

We come from two different worlds but

There s only one us

That could make things easier

And he said
You come from a different world, girl
But I think I m yours, girl

Let s get lost tonight
And start our on world
Start our own world
Lost in our world
Start our own world
We come from two different worlds but
There s only one love
That could make things easier
