Intro:

D A Em G

Verse 1:

D **A** **Em** **G**
Never thought this day would ever come
D **A** **Em** **G**
I Never thought that you ll be gone

Pre-Chorus 1:

Em **G**
I ll cherish our love story
 D **A**
I remember it all so clearly
Em **G**
Baby you made me so happy
 D **A**
But now we ve made it to the end

Chorus 1:

I want to tell you
D **A**
Thank you for your time
 Em **G**
And for letting you be mine, oh oh
D **A**
For making my life shine
 Em **G**
And for helping me get better than fine
 Em
Oh my oh my
 G **D**
I want to tell you something before you go
 A
I thank you
 Em A
I ll miss you

I love you, Goodbye

D A Em G

Verse 2:

[Same Chords with Verse 1]

Even though I won t see you anymore
And even though I didn t hear you tell me you love me too

Pre-Chorus 2:

[Same Chords with Pre-Chorus 1]

I ll go on with my new stories

I ll go on and never will worry

Baby you made me so happy

But now we ve made it to the end

Chorus 2:

[Same Chords with Chorus 1]

I want to tell you

Thank you for your time

And for letting you be mine, oh oh

For making my life shine

And for helping me get better than fine

Oh my oh my

I want to tell you something before you go

I won t forget you

Yeah I ll miss you

I love you, Goodbye

D A Em G 2x

Bridge:

Em G

I wish I could go back time

D A

When everything was in rhyme, wohh...

Em G

And I wish you could always stay

D A

To make my day, yeaheh

Em G

But past is past I can t so back no more

D A

Even if we had something there before

G Em

So I want to tell you that

Last Chorus:

[Same Chords with Chorus 1]

I want to tell you

I think of you all the time

And every night I pray to God someday you ll be mine

You have made my life shine

And you have helped me get better than fine

Oh my oh my

You know, I never wanted you to go

But I won t forget you

Yeah I ll miss you

I love you, Goodbye
