Verse 2:  
You might be wondering why i m here  
Hope the point of this song s clear  
all i ever wanted is for you to be near

And i think it would be nice  
just by doing this tonight  
i get to see your nice smile

Refrain:  
And I know that I can't call you mine already  
I just want you to see

Chorus:  
That I m built to make you happy  
and thats all I want you to be  
I want to make things easy  
I love you  
But I have to set you free

Bridge:  
And if you ever, maybe, somehow change your mind  
a little bit,  
I d gladly appreciate it  
And if you ever find a little, little, little love inside  
that s enough for me  
I will accept it.  
But if you think I m just wasting my time  
I m sorry, I m sorry

I was,  
Carried Away...
