Verse 2:
You might be wondering why i m here
Hope the point of this song s clear
all i ever wanted is for you to be near

And i think it would be nice
just by doing this tonight
i get to see your nice smile

Refrain:
And I know that I can t call you mine alerady
I just want you to see

Chorus:
That I m built to make you happy
and thats all I want you to be
I want to make things easy
I love you
But I have to set you free

Bridge:
And if you ever, maybe, somehow change your mind
a little bit,
I d gladly appreciate it
And if you ever find a little, little, little love inside
that s enough for me
I will accept it.
But if you think I m just wasting my time
I m sorry, I m sorry

I was,
Carried Away...
