May You Wake Up! (Text och musik Johan Gunnarsson 2012-07-19)

Bb **Gm** **Bb** **Gm**
Passion is for lovers, passion is for lovers
Eb **F** **Bb** **Gm** **Eb** **F** **Bb**
And I am one of them, I am one of them

F **Bb** **Gm** **Eb**
A life without passion is like living being dead
Bb **F** **Dm** **Gm**

and I feel sorry for those who's lacking feelings inside their heads
Bb **F** **Eb** **Bb**
May you wake up from your slumber and go with passion instead.

Winning is for fighters, winning is for fighters
And I am one of them, I am one of them
A life without winning would be not living at all
'Cause only winners can enter this world
those who don't will never be heard
May you wake up from you slumber and start fighting instead

Happiness is for givers, happiness is for givers
And I am one of them, I am one of them
A life without giving is not giving anything at all
If you'll give you'll be receiving, life will catch you if you fall

Bb **F** **Eb** **Gm**
May you wake up from your slumber, there is nothing to stall
Bb **F** **Eb** **Bb**
May you wake up from your slumber, there is nothing to stall
