Intro:

**FM7 C x8**

**Gsus4**

We sleep in single beds

**FM7** **FM7 C x4**

Excited to be out from the cold

**Gsus4**

We ll lose our interest

**FM7** **FM7 C x4**

When we realize we all sleep alone

**Gsus4**

So you come here tonight

**FM7**

Yeah, you come here tonight

**FM7 C FM7 C**  
And we can find a plane and take it up

**FM7 C Gsus4 C**  
And smoke the sky into our lungs

**FM7 C FM7 C**  
And share the scarf your mother knit

**FM7 C Gsus4 C**  
And cuddle close to make it fit

**FM7**

But we won t ever talk

**Gsus4**

No we don t ever talk

**Am**

We fight

**FM7 C x4**

**Gsus4**

I m mocked and sleepy and

**FM7**

**FM7 C x4**

My eyes are such an odd shade of grey

**Gsus4**

**FM7**

So if i close them we ll just understand

**FM7 C x4**

It s better off that way

**Gsus4**

They cannot pierce your heart

**FM7**

No they cannot pierce your heart

**FM7**

**C**

**FM7**

**C**

But I can sing the songs our fathers knew

**FM7**

**C**

**Gsus4**

**C**

When they were kids in Catholic school

**FM7**

**C**

**FM7**

**C**

Their heroes then are legends now

**FM7**

**C**

**Gsus4**

**C**

But death has brought them to the ground

**FM7**

And we won t ever talk

**Gsus4**

No we won t ever talk

**Am**

We ll fight

**FM7**

**C**

**FM7**

**C**

And I will find a bird, your favorite kind

**FM7**

**C**

**Gsus4**

**C**

And hold him as to make him mine

**FM7**

**C**

**FM7**

**C**

And he will bring a note to you

**FM7**

**C**

**Gsus4**

**C**

A letter of the honest truth

**FM7**

**C**

**FM7**

**C**

And it will tell you just to run

**FM7**

**C**

**Gsus4**

**C**

Don t stop until the morning comes

**FM7**

**C**

**FM7**

**C**

Or until my light has ceased to burn

**FM7**

**C**

**Gsus4**

**C**

The dreams I wished I d never learned

**FM7**

**C**

**FM7**

**C**

About the times you d wished you d had

**FM7**

**C**

**Gsus4**

**C**

But held them back to keep me sad

**FM7**

**C**

**FM7**

**C**

So here tonight, we ll work this through

**FM7**            **C**            **Gsus4**            **C**  
If you don t come I ll come to you

**FM7**  
Because we don t ever talk

**Gsus4**  
No we don t ever talk

**Am**  
We fight
