

Johnjamesvcr - Where Have The Prophets Gone
Misc Unsigned Bands

Intro

A E D

Verse 1

A **E** **D** **A**
I can t find a reason to believe in anything
E **D**
sometime I think that we re all hopeless
A **E** **D** **A**
My head is aching from the beatin that it s takin
A **E** **D**
from all those flashy statements and the billboards in my hood so I say

Chorus

F# **BsharpM** **D**
Where have the prophets gone, replaced by harmonic drones, and everyones
E
a clone, of what is going

Verse 2

A **E** **D** **A**
Everybody sounds the same got a different body but shares a brain.
E **D**
Originality it seems is no more then a dream
A **E** **D** **A**
So sit around and watch t.v., become that mock reality
A **E** **D**
fifty grand is all I see it takes to lose your soul so I say

Chorus

F# **BsharpM** **D**
Where have the prophets gone, replaced by harmonic drones, and everyones
E **A** **E**
a clone, of what is going wrong. Where have the prophet gone oh where have
D
the prophets gone.

Break **A E D**

Chorus

F# **BsharpM** **D**
Where have the prophets gone, replaced by harmonic drones, and everyones
E

a clone, of what is going

Verse 3

A **E** **D** **A**
Buy your freedom, buy your rights. Buy some love on a stormy night
A **E** **D**
Buy your way right out the fight and become the president.
A **E** **D** **A**
So eat you food with silver spoon and Ill be in my air balloon
A **E** **D**
Just singing a Bob Dylan tune so high above the waves when I say

Chorus

F# **BsharpM** **D**
Where have the prophets gone, replaced by harmonic drones, and everyones
E **A** **E**
a clone, of what is going wrong. Where have the prophet gone oh where have
D
the prophets gone.
