All that I have is a river
The river is always my home
Lord, take me away for I just cannot stay
Or I ll sink in my skin and my bones

The water sustains me without even trying
The water can t drown me, I m done
With my dying

Please help me build a small boat
One that ll ride on the flow
Where the river runs deep, and the larger fish creep
I m glad of what keeps me afloat

The water sustains me without even trying
The water can t drown me, I m done
With my dying

Now deeper the water I sail
And faster the current I m in
So wide is my river, the horizon a sliver
The artist has run out of paint

The water sustains me without even trying
The water can t drown me, I m done
With my dying

Where the blue of the sea meets the sky
And the big yellow sun leads me home
I m everywhere now, the way is a vow
To the wind of each breath by and by

The water sustains me without even trying
The water can t drown me, I m done

With my dying
