

Johnny Unicorn - Aware Of The Bear
Misc Unsigned Bands

D
They say it is a jungle
Bm
but I have seen no green
G
they call it civilization but I don t know what they mean
A
these buildings they surround me
D
just like iron bars
Bm
I cannot hear the crickets
G
and i cannot see the stars
G
and i feel like a machine
Em
when i should feel like a man
Am **D**
I wanna get out of this city just as fast as I can
C **D** **G**
There s a rainbow that will lead us to the mountins
C **D** **G**
and that rainbow seems to say hello there
C **D** **G**
but as we gaze out at the summit that extends into the clouds
we are unaware of the bear
D
now I see country open up before me like a book
Bm
and I run out of the city just so i can have a look
G
I climb on top the mountain past the tree line to the snow
A
and i looked out at the beauty spreding out far below
G **Em**
and I feel like making music and I feel like singing songs
Am **D**
and I can t believe I waited for this long
C **D** **G**
theres a rainbow that will lead us to the mountains
C **D** **G**
and that rainbow seems to say hello there
C **D** **G**
but as we gaze out at the summit that extends into the clouds
we are unaware of the bear
D

my father he once told me son you will become a man

Em

but not before you re eaten up I guess thats just gods plan

G

oh oh

A

well I had reached the peak

D

no higher could I climb

Em

there was no greater love that a man like me could find

G

but I was not the only one to have ever gone this way

A

the bear was closing in now on his unsuspecting pray

AH!

D

I screamed out in anguish as the bear bit down on me

Em

my eyes ran red with blood until I could no longer see

G

I couldn t hear the crickets

A

and I could not see the stars

G

I only felt a longing for the concrete and the cars

Em

but i know i can t go back to the way things were before

Am

D

but that s ok because I know that after death theres so much moreeeeeeee

C

D

G

theres a rainbow thatll lead us to the mountains

C

D

G

and that rainbow seems to say hello there

C

D

G

but as we gaze out at the summit that extends into the cloud

we are unaware of the bear

C

D

G

we are unaware of the bear

C

D

G

but the bear can smell our scent in the air

C

D

G

and although we have been told to beware to beware

C

D

G

we are unaware of the bear
