This time

The neon lights in bars  
And headlights from the cars  
Have started a symphony  
Surrounding Me  
The things I left behind  
Have melted in my mind  
And now there s a purity  
Inside of me

I ve been sitting watching life pass from the sidelines  
Been waiting for a dream to seep in through my blinds

I wondered what might happen if I left this all behind  
Would the wind be at my back ? Could I get you off my mind  
This time

I ve been sitting watching life pass from the sidelines  
Been waiting for a dream to seep in through my blinds  
I wondered what might happen if I left this all behind  
Would the wind be at my back ? Could I get you off my mind  
This time

all chords are pretty standard the only thing that might throw you off a little  
is an  
is a e=0 b=0 g=2 d=2 a=0 e=0 and for the Asus4 you just hit the third fret on  
the G string  
the G string  
for the Bm just leave the thinnest string (high E?)  
And for the G form e=0 b=0 g=4 d=5 a=5 e=3
