The neon lights in bars
And headlights from the cars
Have started a symphony
Surrounding Me
The things I left behind
Have melted in my mind
And now there s a purity
Inside of me

Been waiting for a dream to seep in through my blinds

I wondered what might happen if I left this all behind
Would the wind be at my back ? Could I get you off my mind

Been waiting for a dream to seep in through my blinds
I wondered what might happen if I left this all behind
Would the wind be at my back ? Could I get you off my mind

all chords are pretty standard the only thing that might throw you off a little
is an
is a e=0 b=0 g=2 d=2 a=0 e=0 and for the Asus4 you just hit the third fret on
the G string
the G string
for the Bm just leave the thinnest string (high E?)
And for the G form e=0 b=0 g=4 d=5 a=5 e=3
