Am-G-F-Dm

Am

Come tonight

I hold you tight

G

Here we are now, side by side

F

Feels so right

I take you up so high

Dm

Close together, eye to eye

Am

You feel the shiver down your spine

G

The sweet sensation makes you smile

F

As we lay here for a while

Dm

I ll take you in my arms and

Am G F

Ease your mind

Dm

And everytime you close your eyes

Am G F

You will find

Dm

There s no place safer

Am G F Dm

I lay you down tonight

Am G F Dm

I lay you down tonight

Am

We have drifted far away

G

Hand in hand, face to face

F

We re so distant cannot be traced

Dm

Noone will ever take your place

Am

You know I live for you each day

G

And the fact always remains

F

You will never feel no pain

Dm

As I take you in my arms and

Am G F

Ease your, ease your mind

Dm

And everytime your close your eyes

Am G F

You will, you will find

Dm

There s no place safer

Am G F Dm

I lay you down tonight

Am G F Dm

I lay you down tonight

Am

I ll take you to a place so far away from here where you will no fear

F

I ll take you to a place so far away from here where you will no fear

Am

I ll take you to a place so far away from here where you will no fear

F

Dm

I ll take you to a place so far away...

Am G F Dm

I lay, lay you down

Am G F Dm

I lay you down tonight

Am G F Dm

I lay, lay you down

Am G F Dm

I lay you down tonight
