

Julia Sheer - Airliner Acoustic
Misc Unsigned Bands

If you haven't heard Julia Sheer I really suggest you look her up on You Tube. She's amazing!

Chords Used (in relation to capo):

G | 3 2 0 0 3 3
Am | x 0 2 2 1 0
C | x 3 2 0 1 3
D | x (0) 0 2 3 2

I tend to add in a Dadd4 in the Pre-Chorus, just to put in a bit of flavour, but it's not necessary.

There's some muting through out the song but I'll let you figure that out by yourselves :)
