

**Katie Simpson - Wont You Save Me**  
**Misc Unsigned Bands**

Verse 1: **Em C G D**

When I needed you most  
You left me alone  
You left me alone.

What can I say,  
I trusted you  
But you disappeared.

I don t know what to do,  
I m all by myself  
With no one to tell me,

It will be okay in the end,  
And if it s not okay,  
Then it s not the end.

Bridge: **Am D G Em**

Can you hear me?  
I m calling to you.  
I need your guidance  
And love in my life.

Chorus: **C G D Em**

Saviour, come shine your light,  
My God, do you hear my cry?  
You know, I m helpless without you,  
My Lord, won t you save me?

Verse 2: **Em C G D**

Lord I know I have sinned,  
I know I ve done wrong  
But I need you to forgive me.

Why can t I hear your voice?  
Are you even there?  
I don t know.

Please God, take my hand,  
Take away the hurt and pain  
And fill me with your love.

Cos it will be okay in the end  
And if it s not okay,  
Then it s not the end.
