Jupiter - Katy McAllister

No capo

Intro **Dm C Bb C**

Dm

your heart is the sun

C

and the leaves are your soul

Bb

blowing, blowing through clouds,

C

which are really just your dreams at night

Dm

your eyes are the stars

C

your hand is mars

Bb

holding, holding me out to fly

C

and I no longer have this great fear of heights, fear of heights

(Chorus)

F

Cm

and Jupiter has got nothing on you

Bb

the universe does no justice to just what you do to me

C

it s like breaking but waking the inside of me

F

Cm

and the milky way is but only a galaxy

Bb

shine through me like the moon

C

Dm

C

Bb

C

baby Jupiter s got nothing on you

Dm

C

suddenly I m lost in this dark sky (dark sky)

Bb

I m no longer dreaming of blue skies

C

I m wrapped up in the night

Dm

it s like violins play all around me

C

bittersweet twinkling on reality

Bb

if I can't find my way, well

C

I don't mind, I don't mind

F

Cm

cuz Jupiter has got nothing on you

Bb

the universe does no justice to just what you do to me

C

it's like breaking but waking the inside of me

F

Cm

and the milky way is but only a galaxy

Bb

shine through me like the moon

C

F Cm

baby Jupiter's got nothing on you

Bb C

ohh

Bridge:

Bb

lift me up high

let be with the sky

F

gracefully rise

slow to sing I'll be

Gm

I'm on your mind

C

when I'm drifting around the rings of Saturn

F

Cm

Jupiter, Jupiter

Bb

the universe does no justice to just what you do to me

C

it's like breaking but, breaking but

F

Cm

and the milky way is but only a galaxy

(fading)

PS: I'm not really sure about the 2nd chord used during the bridge. F is the closest one

I got... any suggestions? Thank you!
